

Porters Grange Primary School & Nursery

Principal: Miss D Henley

Tuesday 16th September 2025

Dear Parents and Carers,

As you are aware, we are approaching an important milestone in your child's education: the transition to secondary school. This is an exciting time for both you and your child, but it can also be a period filled with questions and decisions.

I am writing to remind you that the deadline for submitting secondary school applications is the **31st of October**. It is crucial that all applications are completed by this date to ensure your child is considered for their preferred schools. We have attached additional information that outlines the application process, key dates, and guidance on selecting the right school for your child.

I would like to encourage you to take the time to discuss potential secondary schools with your child. Consider visiting open evenings where possible, as these provide a great opportunity to experience the school environment and to ask questions of staff and current students. This can help in making an informed decision that aligns with your child's aspirations and educational needs.

Should you have any questions or require further assistance with the application process, please do not hesitate to reach out. We are here to support you and your child during this transition.

Thank you for your attention to this important matter.

Yours sincerely,

Mr Kyndt
